

PGS HONORARY MEMBERS

Honorary Membership was initiated in 1970 at the 25th Anniversary celebration of the founding of PGS. It was bestowed upon those long-time members who had been loyal, active, and important in the governing and operations of the society. Originally called Honorary Lifetime Members (HL), the list included those PGS Founders who had maintained their memberships throughout the entire 25 years (some had moved out of the Pittsburgh area and some had passed away). Below is a list of all the Honorary Members who have been instrumental in serving PGS and the greater Pittsburgh geological community since 1944.
