

Pittsburgh Geological Society Student Night abstract application

Project Title:

Student Name:

Student University or Affiliation:

Student Email:

Faculty Mentor/Sponsor Name:

Faculty Mentor/Sponsor Email:

Signatures (double click to sign digitally or print and sign):

Student signature

Faculty mentor / sponsor signature

Date:

By signing this cover page the faculty mentor/sponsor is verifying 1) that they have read the student research abstract and 2) that the quality of the submitted abstract is suitable for presentation to a scientific community.

A complete application must include each of the items listed below

- Completed PGS Student Night abstract application cover sheet (this document)
- Research abstract (**250 word maximum**) written by the student applying for presentation (next page)
- Letter of support from faculty mentor/sponsor (emailed separately to pjh@thggeophysics.com)

Please provide your research abstract on the following page of this document and submit as a .pdf to pjh@thggeophysics.com OR send each component as a separate attachment to the same email address. Please include your last name and current year in the title of each file (including this one).

Provide your completed 250 word or less abstract in the box below using single spacing and 12-point Arial font OR send your abstract as a separate document included with your completed cover sheet and letter of support.

Abstract:
